

**Underwear is a no-nonsense necessity and can make for a fun collection - be sure to check the clearance section!**

## Underwear Drive How-To

**UniCycle provides new underwear for students alongside school clothing. Inventory is collected to reflect our students and offer something for everyone.**

**1**

UniCycle supports all HERO students with underwear and supplies UniCycle Closets and serves other students upon availability - help us to keep more students comfortable!

All sizes and styles are needed, from briefs to boxers to pullover-style sports bras. Sizes 4T - Adult 3X

**2**

Decide on some parameters for your drive - Who will you ask? What are the dates? What is the drop-off location? Keep it simple or make it fun with a challenge - host an "Undie 500" and set a goal of 500 pair! 🏁🏁

**3**

We'll work with you to create fliers and social media shares with your specific details, or you can create your own! We can also develop an Amazon wish list with ideal options to purchase items via a link or QR code.

**4**

As items come in, work with us to discuss a delivery plan - this can include many members of your effort and a tour and talk about our work; a sorting session; or a simple drop off or pickup!
